WORKING DEFINITIONS

Calling - God's invitation for your participation in the reason for your creation.

Calling Clarity - a growing awareness of who God has created you to be and how He is inviting you to participate.

THREE MARKS OF CALLING CLARITY

CALLING CLARITY PRODUCES CONTENTMENT

John 1:19-20 NIV

CALLING CLARITY PRODUCES CONVICTION

Matthew 3:11-12 NIV

CALLING CLARITY PRODUCES COLLABORATION

John 3:27-30 NIV

REFLECTION QUESTIONS

1. What is keeping you from contentment? Where are you struggling to accept who God has created you to be?
2. What are you currently doing simply because you can, and is it distracting you from doing what is actually yours to do?
3. Whose success is difficult for you to celebrate, and how could you actively support what God is doing through them?

EPISODE 8 KEY TAKEAWAY

As our calling clarity grows, we become more content with who we are, more convicted about what is ours to do, and more willing to collaborate with what God is doing through others.
